Description

Beautifully presented beachside property just a few steps from the beach, unspoilt, natural location, offering the most fantastic beachside walks and easy access to several chiringuitos and local amenities. Located in a gated community it shares the well - maintained tropical gardens and several swimming pools offering the best of both beach and town life. The house is distributed in four levels and has been recently completely refurbished to the highest standard of modern comfort. The open plan dining room and living room with cool cream marble floors leads out through sliding patio doors onto one of the terraces ensuring that the property is bright and airy. The fully fitted kitchen has an american style open feel. A great property for a family to enjoy all year round.
