€19,000,000

[Spain](#) » [Malaga](#) » [Marbella East](#) » [Los Monteros Playa](#)

Description

The most exclusive and impressive beachfront villa on the Costa del Sol! Set on a large plot offering the epitome of luxurious living. The property is situated in Los Monteros, the most exclusive and secure beach community on the Costa del Sol and just minutes away from the city centre and 10 minutes' drive to Puerto Banus. Some Background on the Property The villa was originally built to the highest qualities and will be modernized to spectacular standards by one of Spain's most renowned architects who specializes in top luxurious estates. The property reflects understated luxury throughout, built in an elegant yet contemporary style, offering a thoughtful distribution of space, unique materials and the latest technology. This is What Can Only Be Defined as "Luxury Living" A majestic entrance with waterfalls and a bridge leads to the main house with its gracious reception, large living room, elegant spacious dining room, modern kitchen and several guest suites. The main suite occupies the whole upper floor, which contains two large bedrooms with terraces, a salon, two dressing rooms and bathrooms. Just a Few of the Great Features this Villa Offers... There is a separate spa level with indoor pool, jet stream, steam bath and sauna and a professional cinema, climatized bodega, as well as a separate guest house with two suites, living room and separate staff accommodation...
