Description

This state-of-the-art property combines modern luxury with a prime, unique location and breathtaking views. This magnificent home encompasses approx 1442 m2 of sophisticated interiors and is set on an elevated plot on the Golden Mile, within walking distance of the beach and all amenities. Built to the highest specifications with exquisite details, using the most exclusive materials, this villa offers large and comfortable distribution of space as well as a modern, elegant flair. The Main part of the Property A grandiose foyer with breathtaking sea views, high ceiling and spectacular staircase made to measure in Germany leads to the large living room, a dining room and a live-in modern kitchen with sitting area, all leading onto the covered terrace and the swimming pool area. Three individual bedroom suites are also situated on the same level. The Upper Floor The upper level has two wings and includes a large suite with a contemporary bathroom and separate dressing room and on the other side, a very spacious main suite with an elegant sitting room, a bedroom, a modern bathroom and dressing room. Both wings lead onto the upper terrace, which offers fantastic views over the town toward the sea. The Lower Floor The lower level comprises a staff apartment, a guest suite and two further rooms which could be converted into a cinema room and a sauna. All floors can be accessed with via...
