### Description

Casa La Piramide is a unique and prestigious Grade II listed building due to its stunning contemporary architecture. The Villa is able to boast outstanding views to the Mediterranean Sea and incredible unobstructed views of the La Concha Mountain, the signature of Marbella. Located in Golf Valley, frontline and above the elite Aloha Golf Course, it offers total tranquility and privacy from neighbors and golfers alike, as they are not able to view into the villa, garden or pool as it stands high over the renowned twelfth hole, over which there is a commanding vista. On occasions because of the spectacular setting, it has been a location in movies and commercial advertisements. Looking towards the National Park, including the Pine Forest and La Concha Mountain, one would think you were in the middle of the countryside. In fact however, you can drive the 4.0 km to the famous Puerto Banus Yacht Harbor and Beach on two alternative routes in a few minutes and the Golden Mile, Marbella Town Center and various beautiful beaches. Access to main roads and Auto-pista routes towards Malaga and Cadiz are also very close, with Malaga airport around 45 minutes and the local heliport within 2. For the outdoor lover and fitness conscious, from the Villa one can jog, walk or cycle around the Aloha Valley via the National Park and trails then past Aloha Golf...
